Advantage Reporting Services provides professional, experienced court reporting services to the Metro Atlanta legal community. We are committed to prompt delivery and reasonable rates. Normal turnaround is 10 business days and every transcript is accompanied by a complimentary word index. Our experienced, licensed verbatim court reporters are professional in appearance and transcript production.

Additional services include expedited transcript production, E-Transcripts, ASCII conversion, and videography. Last-minute scheduling welcome. Please contact us to schedule your next deposition, court hearing, arbitration, corporate meeting, or symposium.
